7 - 8 March 2024

Get in touch with European
key influencers in privacy
and cyber security

Alpine Privacy Days is a gathering of leading privacy experts in Europe, held every spring in the Swiss Alps in Zuoz. In 2024, the Alpine Privacy Days will be held on 7 - 8 March.

At Alpine Privacy Days Europe's leading experts, and key influencers in the field of privacy, come together for two days of presentations, informal discussions and networking on the latest developments in privacy.

Learn more about Alpine Privacy Days at:
<https://www.alpineprivacydays.net/>

We are delighted to offer you an exclusive opportunity to sponsor the conference. You'll gain unique contact with our participants, network and discuss solutions to their challenges.

You'll have a unique opportunity to:

- Meet and establish contact with the experts in the field in a low key setting
- Create awareness of your services and solution amongst some of Europe's leading experts in privacy and cyber security
- Receive answers to strategic and important questions for their companies
- Gain unique insights in the development in privacy and cyber security
- Brand yourself and gain goodwill
